Please note:  Transferability of college credits is important to many postsecondary students in Minnesota.  The Minnesota Transfer Curriculum (MnTC) is the result of a collaborative effort by all of the two- and four-year public colleges and universities in Minnesota to help students transfer their academic work between institutions.  The MnTC is not a degree; it is a collection of coursework that facilitates credit transfer.  Additional details may be found at:  http://www.mntransfer.org/transfer/mntc/t_mntc.php
