COMMON COURSE OUTLINE: Course discipline/number/title: LAWS 2105: Patrol Practicals

A. CATALOG DESCRIPTION
   1. Credits: 2
   2. Hours/Week: 4
   3. Prerequisites (Course discipline/number): Sophomore in Law Enforcement program, Law Enforcement Certificate student or approval by another Minnesota professional Peace Officer Education Program Coordinator; completion of a psychological exam and completing of a physical exam.
   4. Co-requisites (Course discipline/number): Completion or concurrent enrollment in LAWE 2110, LAWE 2119, LAWE 2122, LAWE 2140, and EMC 1121.
   5. MnTC Goals (if any): NA

This course covers the factors and duties relative to patrol and basic communication systems. Proper patrol techniques relative to handling a variety of different situations will be covered. This course includes knowledge and skills to preserve the peace and tranquility of the community and to protect the lives and property of the people who live in and visit that community. This course also covers patrol functions and patrol techniques relative to beat patrol. Officer survival, misdemeanor and felony crimes in progress, searches of buildings and persons, traffic stops, and dealing with field problems. Current issues involving Active Shooter and proper officer response will be demonstrated. Accident investigation and defensive driving issues are also covered in this class. Accident investigations focus on basic-on-scene investigations of traffic accidents. Evasive driving focuses on driving maneuvers. Topics of hazardous materials and blood borne pathogens are also covered.
