

ABOUT RCTC...

RCTC offers Certificates, Diplomas, Associates of Art, Associates in Science,

Associates in Applied Science or Associate in Fine Arts (AFA) degrees for more than 50 academic programs. Many programs transfer to 4-year colleges, while others prepare students for immediate employment. With over 1000 course offerings, RCTC accommodates students by providing day, evening, and online courses. RCTC students can also get involved in student life activities, including a variety of clubs and organizations, athletics and intramural sports.

ABOUT THE FOUNDATION...

Established in 1961, the RCTC Foundation is a tax-exempt non-profit charitable institution. The mission of the

Foundation is to provide support to students and programs at RCTC, enhancing the quality of education and the future of our students. We do this by providing scholarships, hosting fundraising events, connecting alumni, and through our fundraising efforts for the Rochester Regional Stadium.
