**TUITION AND FEE DUE DATES, REFUNDS, WITHDRAWALS AND WAIVERS (RCTC Policy 5.12)**

**Part 1. Authority.**
*Minnesota Statute 136F.06*, Powers and Duties, state that the Board of Trustees shall set tuition and fees and adopt suitable policies for the institutions it governs.

**Part 2. Policy Statement**

**Subpart A. Tuition and Fee Due Date**
RCTC will establish a due date for final payment of tuition and fees prior to the start of each semester. RCTC will drop all classes for students who have not paid in full, do not have a financial aid deferment, or have not established a payment plan. RCTC will grant an extension of the payment due date for students who have filed and are awaiting properly approved financial aid from federal, state or other third-party sources.

The president or designee may grant short-term tuition and fee payment deferrals in cases where, due to exceptional circumstances, a student needs additional time to arrange third-party financing or otherwise satisfy a tuition and fee balance due. Deferrals must document the reason for and time duration of the deferral and must be signed by the president or designee.

**Subpart B. Payment Plans**
RCTC shall provide payment plans for students, permitting them to pay their tuition and fees after the due date. RCTC may assess a payment plan fee to cover the costs of processing payments consistent with this policy.

**Part 3. Assessment of Tuition and Fees - Dropping Credits**
Dropping a course is the equivalent of un-registering. The course will not appear on a student transcript and no tuition or fees shall be charged for dropped courses. Students are responsible for payment of related tuition and fees for registered credits at the end of the drop period.

**Drop period for full-term courses**
The drop period for full-term courses shall be five (5) class days* from the start of fall and spring terms. For summer session (two 5-week terms) the drop period shall be limited to five (5) class days*.

**Drop period for partial-term courses (more than 3 weeks in length)**
The drop period for partial-term courses shall be five (5) class days*, including the first meeting date of the course. Partial-term courses are those that last longer than three weeks but do not last the entire length of the term.

**Drop period for short courses (less than 3 weeks in length)**
Students must drop prior to the second scheduled meeting time of the course. If the course lasts only one weekend, students must drop prior to the start of the course.

---

*A class day shall be defined as any weekday in which the college is in full-operation and classes are in session (thus excluding holidays, breaks, Saturdays, Sundays, and in-service days) and is limited to the normal hours of operation as determined by the college.*
**Part 2. Assessment of Tuition and Fees – Withdrawal and Total Withdrawal**
The withdrawal deadline date will be set each term by the Admissions Office. Withdrawing from a course means that the student is assigning a grade of “W” to the course. These courses will appear on the student transcript and students are responsible for all related tuition and fees. All withdrawal requests must be made in writing to the Admissions and Records Office by the posted deadline.

Withdrawing from a portion of registered credits does not entitle the student to any refund or reduction of related tuition and fees. Students who withdraw from all courses for a particular term (total withdrawal) are obligated for a portion of the related tuition and fees in accordance with the schedule below:

**Fall and Spring Semester Schedule – Total Withdrawal**
Students may withdraw up to the 60th class day* of the term.
