Part 5. Credit by Examination at RCTC:

Subpart A. Purpose. RCTC students may petition to earn credits by examination.

Subpart B. Definitions. Credit by examination can be provided for (1) courses which are currently listed in the college curriculum; and (2) students who are currently enrolled or have been previously enrolled and who therefore have an RCTC transcript to which the credits may be posted.

Subpart C. Procedures. Students will initiate a Credit by Examination Petition with the Office of the Registrar. The position must be approved by an academic administrator and the faculty member who agrees to administer and evaluate the examination. Following completion of the examination, the faculty member will report the grade. A grade of "D" or higher will be required to receive credit for credit by examination. Credits earned by examination will not be computed in the student's GPA, or count toward enrollment in the college.
