HEALTH & PHYSICAL EDUCATION REQUIREMENTS (RCTC Policy 3.3.4)

Part 1. Purpose: Students may gain exposure to involvement in lifetime activities through individual learning experiences and activities in the form of classes and team sports offered by the Health and Physical Education departments to meet graduation requirements.

Part 2. Policy: Students at Rochester Community and Technical College may meet the Health and Physical Education requirements in Associate of Arts and Associate of Science programs by completing any combination of Health courses (HLTH 1102, 1110, 1111, 1114, 1132, 1135, or 2126) and/or Physical Education courses (PHED 1100-1199). One credit may be from Varsity Athletics (PHED 1210-1236; PHED 2210-2236).

Date of Implementation: Fall Semester 2004

Date of Adoption: 03/18/2004
