

Retail Merchandising

At Rochester Community and Technical College is offering . . .

Intro to Interior Decorating

RMDS 1150 ■ 3 Credits ■ Fall Semester
Wednesdays ■ 5:30 p.m. to 8:15p.m.

Introduction to Interior Decorating will identify and apply design elements and principles as they relate to interior decorating. Identification of the professional role of the interior decorator will be discussed.

DO YOU WANT TO . . .

- Identify the physical, social and cultural needs influencing housing and decorating decisions
- Examine trends in housing and decorating past and present
- Effectively use design principles and elements as a standard for creating and evaluating residential interiors
- Demonstrate use of appropriate design and technical terminology related to residential interiors
- Effectively communicate and present solutions to specific decorating problems using a client-based approach
- Investigate resources available to the interior decorator
- Research the diverse professional roles available in the interior decorating field
