

Retail Merchandising

At Rochester Community and Technical College is offering . . .

Retail Merchandising Seminar

CAREER EXPO

RMDS 2290 ■ 1 Credit ■ Fall 09

Opportunities await you in the Retail Fashion Industry!

Take the future into your hands and make the possibilities a reality. With this dynamic, career enhanced program you will learn how to brand yourself and stand out above the rest.

Students will attend a daylong conference selecting a number of workshops presented by industry representatives such as: apparel design, management, buying, marketing, advertising, interior design, visual merchandising, and human resources. You will also be presented with key information about the inner workings of the retail fashion industry, discuss emerging trends, network with professionals and learn about today's fashion market. Students will also participate in 4 hours arranged online.
