

Course discipline/number/title: HS 1710: Foundations of Alcohol and Drug Counseling

A. CATALOG DESCRIPTION

1. Credits: 3
2. Hours/Week: 3
3. Prerequisites (Course discipline/number): ENGL 1117
4. Other requirements: None
5. MnTC Goals (if any): NA

B. COURSE DESCRIPTION: This course provides students with an introduction to the practice of substance use counseling by familiarizing them with basic substance use counseling theory, skills, and terminology. This course introduces students to the 12-core functions of an alcohol and drug counselor, treatment modalities, co-occurring disorders, and special populations in the counseling field. Physical, psychological, pharmacological, environmental, and social aspects of substance use disorders will also be discussed. Lastly, this course will discuss ethics, licensure requirements, background studies, and practicum placement.

C. DATE LAST REVISED (Month, year): March, 2019
