RCTC PROGRAM PLAN

Paramedics are critical members of the first response team and provide advanced life support in emergency situations. As an expanding career field, there are many opportunities available to paramedics. Mayo Clinic's large medical practice allows you to learn from the best, have access to a wide variety of resources, and gain hands-on experience in a variety of clinical and field rotations.

- Hands-on clinical experiences and rotations in specialized areas, such as the NICU, various lab and rotation sites, and off-site simulation experiences, among others.
- Access to resources that only Mayo Clinic can provide, such as ECG Monitoring Lab, Cadaver Lab, and Multidisciplinary Simulation Center.
- Outcome statistics that prove success. 100% of our graduates find a job after graduation, and 85% go on to be employed at Mayo Clinic.

Upon successful completion of the program, all graduates receive a certificate of completion from Mayo Clinic School of Health Sciences. Students completing the associate degree track will also receive an A.S. degree from RCTC. Upon successful completion of the program, students are eligible for the National Registry or state examination.

Notice of Minnesota Background Check Requirement

Minnesota Statute 245C requires that students who have contact with individuals in licensed institutions complete an annual background study with the Minnesota Department of Human Services. Individuals who do not pass the background study will not be allowed to participate in clinical activities. A list of disqualifying offenses is available at <https://www.revisor.mn.gov/statutes/?id=245C.15>
