

DIGITAL MARKETING SPECIALIST CERTIFICATE

Purpose: This certificate develops skills in the rapidly growing field of digital marketing. In a world where more and more activities are centered online, developing an effective digital marketing plan is central to remaining competitive in the current business environment. Digital marketers are involved in creating and measuring effective marketing campaigns through identifying factors within the digital landscape that drive the consumer buying behavior, product preference, channel selection, device preference, and social media. This certificate provides a foundation in digital marketing and data driven analysis, while teaching the strategies and techniques to create digital marketing solutions. Upon completion of this certificate, students are prepared to complete the Google Analytics and Google AdWords certification exams. In addition, they can apply this certificate in completing their Business Management-Marketing A.A.S. degree.
