

PHOTOGRAPHY CERTIFICATE

Purpose: The Photography Certificate is a sequence of Art courses that emphasizes artistic expression while building technical, visual, and interpretive skills in the field of Fine Art photography. This certificate acknowledges successful completion of courses that cover both basic and creative aspects of camera, digital darkrooms, lighting, digital imaging, critical history of photography, presentation and portfolio development. To complete the certificate, students will present a portfolio of photographic work demonstrating a personal photographic style as well as evidence of individual professional development training that supports their future photographic goals.

Award

Photography Certificate.....21 credits total

Photography curriculum 21 credits
