

## SCIENCE FOUNDATIONS AS

**Purpose:** RCTC's Science Foundations Associate of Science degree program is designed to articulate with a four-year degree in the sciences. Transfer students will find that this degree fits well with many science programs. This two-year degree includes basic science curriculum to fulfill many requirements for pre-professional programs such as medicine, dentistry, chiropractic, and pharmacy. Students are strongly encouraged to check with the professional school(s) of their choice to ensure that specific requirements are fulfilled.

**Award**

<i>Science Foundations Degree</i> .....	<i>60 credits total</i>
<i>Science Foundations curriculum</i> .....	<i>24-25 credits</i>
<i>MnTC curriculum/General Education</i> .....	<i>35-36 credits</i>

**Program course sequence begins in the Fall.**

**General Education courses may be taken in any semester. Contact your Advisor.**
