

## SPORT MANAGEMENT AS

**Purpose:** RCTC offers an Associate of Science degree for students interested in a career in Sport Management. Sport Management positions are found in a wide variety of community and corporate or small business settings. The Sport Management program options prepare students for a wide range of career opportunities. These may include careers in community education, recreation centers, athletic/fitness clubs, adventure courses, ice arenas, park and recreation departments, high school or collegiate athletic programs, amateur or professional sports teams, leagues or administrations. Upon completion of the coursework required, an internship experience allows students to see how their skills are applied in the workplace.
