

## COURSE READINESS (RCTC Policy 3.3.1)

**Part 1. Purpose:** The implementation of this policy allows RCTC to adhere to MnSCU Board Policy, Chapter 3, 3.3 *Assessment for College Readiness*, by ensuring students enrolled in courses have achieved the prerequisite academic skill levels.

### **Part 2. Procedures.**

Prerequisites are published so students may understand the preparation expected of him/her before he/she enters a course. It is the student's responsibility to ensure that prerequisites are satisfied.

A student's course enrollment may be cancelled if the student does not meet the prerequisites, if he/she does not take the assessment test, or if he/she registers for a course that is inconsistent with his/her assessment results.

*Date of Implementation: Fall Semester 2001*

*Date of Adoption: 4/10/01*
