WELCOME

Greetings,

Thank you for choosing to serve as an advisor for student club at Rochester Community and Technical College (RCTC)! On behalf the Department of Student Life, I would like to extend an appreciation for your time and dedication to helping our students succeed outside of the classroom.

As a club advisor, your responsibility is to ensure that students are provided the tools and guidance to succeed as a club and develop critical skills along the way. This handbook has been designed to be a resource as you navigate through different areas of club management and student development.

I know that questions will arise throughout the year, and I want you to feel comfortable reaching out to ask them. I may not always know the answer, but I do my best to find them. I can be reached via email: laura.engelman@rctc.edu, phone: 507-285-7206, or in person: College Center 405.

I look forward to working with you and am excited to see all of the great things our student clubs have in store for the upcoming year!

Sincerely,

Laura Engelman
Director of Student Life

ADVISOR OVERVIEW

Who can be a Club Advisor?

Faculty members are able to serve as club advisors with the approval of Administration. It is the students' responsibility to request an appropriate advisor for the club. A club can choose to have two advisors.

The Role of a Club Advisor

- Maintain frequent contact and meet regularly with the club leadership
- Serve as a point of reference and a guide for the club
- Offer assistance in developing and overseeing the club budget; review and approve all expenditures ensuring financial policies and guidelines are followed
- Assist the club in planning events and initiatives
- Supervise club events and fundraising activities
- Assist in educating club leadership about policies and procedures and enforce them
- Travel with the club for off-campus trips or assist in finding an appropriate proxy advisor
- Notify club leadership and the Director of Student Life if needing to resign as an advisor
- Attend club meetings when available
- Assist in training and orienting club executive board members to their positions
- Maintain open lines of communication with the Director of Student Life
- Complete annual Advisor Training
- Respond to requests regarding assessment or club activity from Student Life

Starting in August 2018, faculty advisors will be asked to sign a Club Advisor Agreement that outlines this commitment.

Club Advisor Stipend

It is expected that club advisors are fulfilling all duties as outlined above. Per faculty contract, faculty members serving as a club advisor may receive a \$500 stipend per year; prorated amounts are given for partial semester assignments*. If one club has two advisors, the stipend will be split evenly.

**Partial semester assignments are defined as being an active club advisor for one out of two semesters during the academic year. Some clubs may only be active for one semester for various reasons including membership.*

Changing a Club Advisor

Student club members may remove their advisor and request a different one for any reason, at any time. Any change in advising should be communicated to the department of Student Life. Advisors cannot transfer their duties to another faculty member without approval of the students in the club and the Administration.

CLUB ACTIVITIES

Club Meetings

It is suggested that club advisors attend club meetings although it is not mandatory. Club members or advisors should submit meeting times, dates, and locations to the Department Student Life to be uploaded online. Information should be sent to the Student Activities Coordinator, Courtney Thoreson, at Courtney.Thoreson@rctc.edu.

Room Reservations

Clubs are able to reserve rooms on campus at no cost. Some fees may apply to after hour events if technology staff are required. Reservations can be made for club meetings, socials, or events. Club advisors should have access to the online reservations, but students can also reserve rooms; see below for more information.

Online room reservations can be made here:

<https://rctc.bookitadmin.minnstate.edu/Default.aspx>

To discuss room options in person, please contact one of the facilities schedulers below.

Mona Permann: Room Reservations and General Inquiries

Email: Mona.Permann@rctc.edu

Phone: 507-280-5512

Office: Student Services 223

Michael Sheggeby: Sports Facilities

Email: Michael.Sheggeby@rctc.edu

Phone: 507-280-2880

Office: Sports Center 114

Space and rooms can only be reserved during normal business hours of the college. Exceptions can be requested in writing to the Vice President of Student Affairs and Enrollment Management via email to studentaffairs@rctc.edu. Advisors must request an exception no fewer than seven (7) business days prior to the planned use of space.

State Vehicle Reservations

Clubs have access to reserve RCTC state fleet vehicles for official club business off campus. This could include for club travel, or simply running an in town errand for event supplies. This service is managed by the RCTC Business Office.

Students and staff must be APPROVED drivers through the State of MN before reserving a vehicle to drive. To become a registered driver, contact Deb.Cannon@rctc.edu in the Business Office. To reserve a vehicle, please email: vehiclereservation@rctc.edu or contact the Business Office at 507-285-7241.

Work Orders

Club advisors are responsible for submitting work orders for setup requirements of club events. To submit a work order, visit: <https://www.rctc.edu/services/facilities/>

Off-Campus Activities

Clubs are able to gather off-campus for activities, but the advisor must be present. Students must still adhere to the Code of Student Conduct while attending club activities and events off-campus. This includes travel within and outside the state of Minnesota. Please refer to the Off-Campus Student Travel Guide for additional information.

FINANCES AND FUNDRAISING

RCTC clubs are funded through Student Life fees. Budget allocations are determined by the Student Life Finance Committee through a review of all requests. Advisors are responsible for submitting the budget request each year after consulting with the student club leadership. The fiscal year runs July 1-June 30.

Clubs have access to their funds for purchases such as advertising, food, t-shirts, events, etc. If additional funding for special initiatives is needed during the academic year, the club may request additional funds through the Student Life Finance Committee. The request form can be found in the Appendix.

Strategic Activity Fund

Student clubs are able to apply for additional funding through the Strategic Activity Fund. The club and advisor will fill out a request form and present it to the Student Life Finance Committee. The Committee will respond with an answer to the request within two weeks following the meeting. Whole, partial, or no additional funding may be decided upon.

Purchasing Process

All club funds must be spent with the guidance and approval of the club advisor, and expenditures must be made through Marketplace. If an advisor is unable to receive training or access for the following processes, they may work with the Student Life Assistant, Rhonda Jensson, to complete purchases. Rhonda can be reached via email at Rhonda.Jensson@rctc.edu, phone at 507-285-7200, or in person at HT204. Academic department support staff should not be given club business as it falls under Student Life.

Payment Types

It is strongly recommended that you only purchase items through a Purchase Order or RCTC-issued check. Do not use personal cash; the process to be reimbursed for a cash purchase is very time consuming and not suggested.

Purchase Orders (PO)

A purchase order is necessary for all club purchases. Do not order or purchase anything without

an approved PO. The following process should be followed while creating a purchase order:

- Start the purchasing process 3-4 weeks before you need the funds
- Make sure the vendor you are working with is in the RCTC purchasing system
- If not, you will need to fill out a Vendor Request Form located in:
J: Drive/Forms/Business Office/Purchasing
- This can take 1-2 weeks to process
- Get an official quote from the vendor
- Enter the PO into Marketplace
- The Director of Student Life (or their designee) will approve the PO
- The business office will approve the PO
- Make the purchase of goods/services
- Receipt the purchase in to Marketplace

Contact June Meitzner in Purchasing at 507-285-7213 or June.Meitzner@rctc.edu with any questions regarding the process.

Special Expense Forms

Special Expense Forms need to be completed before purchasing any food, drink, or clothing for the club. Find the form [here](#).

Submit the completed form to the Director of Student Life (laura.engelmann@rctc.edu or Box 15). The form will then be forwarded to the Vice President of Student Affairs and Enrollment Management for final approval.

Once the form has all required signatures, it will be uploaded on SharePoint and emailed to the advisor. The signed form will need to be attached to your purchase order. It is recommended you complete this form at least one month in advance of the purchase.

Restrictions

Per [MN State Policy 2.8.1, Part 2, Subpart E](#)

- Student life/activity funds shall not be used to fund:
 - Purchase of alcohol
 - Donations to college or university foundations or other external charitable organizations
 - Scholarships or grants to individuals

Clubs cannot support academic program expenses.

Fundraising

Clubs have the opportunity to, and are encouraged to, fundraise. A club's fundraising account balance will carry over fiscal years whereas the awarded Student Life allocated monies do not. All fundraising activities must be approved through completion of the Request for Public Support Form (see Appendix). Marketing and implementation of the activity should not begin until a copy of the approved form has been provided back to the club by the Foundation.

Note: Due to IRS, Minnesota State System, and RCTC policies, all gifts and donations must be listed and turned into the Foundation Office.

If you have additional questions about fundraising, please contact:

Deb Ward: Executive Director of the Foundation

Email: Deb.Ward@rctc.edu

Phone: 507-281-7770

ASSESSMENT

Club involvement plays an active role in a students' learning while attending college. It is important that RCTC is able to demonstrate learning through measuring specific Student Learning Outcomes. As a club advisor, you will play an integral role in helping measure the below defined outcomes for Student Life.

Student Learning Outcomes

Co-curricular: As a result of actively participating in a co-curricular club, students will relate their classroom knowledge and experience to out of class settings.

Extracurricular: After participating in an activity, program, club or learning experience, a student will be able to create a network of peers to enhance academic/personal success.

Definitions

Co-curricular: Includes any activity, program, student club or learning experience that is anchored or complements, in some way, what students are learning in the classroom, i.e., experiences that are connected to or mirror the academic curriculum. Co-curricular activities, programs, clubs or learning experiences are not necessarily given a grade and may be separate from an academic course. Examples include an activity that has an educational speaker, an activity to foster cultural awareness (MnTC curriculum) speaker, and student organizations with co-curricular in the charter, e.g., Automotive Technology, Building Utilities Mechanic, CAD, Equestrian, Golf Course Superintendent Association of America, Horticulture, Law Enforcement, and Veterinary Technician.

Extracurricular: Includes activities, programs, clubs and/or learning experiences that are not anchored to classroom instruction, and has a goal of one or more of the following: peer-to-peer connection and interaction, skill development, engagement with the college, connection with others in an affinity/identity group, leisure and/or advocacy. Examples include Student Government, LGBTQ+, International Club, Lions Club, Black Student Union, Navigators Christian Fellowship, Mental Health Awareness Club, and Table Top Gaming Club.

POLICIES AND PROCEDURES

Clubs are responsible for adhering to all RCTC and Minnesota State policies and procedures. It is always best to ask questions if information is unclear. Student Life staff is available to help students and club advisors navigate these policies.

RCTC Student Life Policies: <http://www.rctc.edu/policies/student/index.html>

Minnesota State Policies: <http://www.minnstate.edu/board/policy/208.html>

MARKETING

Branding

All clubs are required to follow RCTC Branding Guidelines. Any print materials or publications that are posted or distributed by a club must be properly branded. You can find the guidelines [here](#).

Club Logos

Clubs should not be using any old logos that alter the appearance of Sting. Starting August 2018, clubs should work with the College Relations and Marketing Department to create an updated logo. Design options are included below:

Print Advertisements

Clubs are responsible for following the [Campus Posting Policy \(6.4.2.1\)](#) and may hang posters on any bulletin board marked Campus Clubs or Activities.

Posters must receive approval and a stamp from the Department of Student Life before hanging; this is to ensure all brand guidelines are followed and that the posters will not be taken down by the Marketing department. It is **highly** encouraged that you send a draft of the poster/handout to Student Activities Coordinator, Courtney Thoreson, to ensure that all

branding is correct. This helps prevent your club from having to pay for a re-print if an error is noticed. Email your materials to Courtney.Thoreson@rctc.edu

You can have items printed on campus through Duplicating Services. There are a variety of printing options and sizes available, and you are able to charge expenses to your club's assigned cost center (if there is a balance). Club advisors should have the cost center number on hand or you can ask the Department of Student Life. To print, email your materials to duplicatingservices@rctc.edu.

Social Media

Some established clubs have existing social media accounts (Facebook, Twitter, Instagram, etc.) Advisors should maintain login information to be passed on each year. If you are unsure about an existing account, or would like to create a new one, please reach out to the College Relations and Marketing Department.

Club Websites

Each club has a dedicated [web page](#) under Student Life. These pages need to be updated each year (or semester) to include club purpose, meeting times & locations, advisor information, and photos. This is how students may learn about a particular club, so put your best foot forward in making sure the information is up-to-date! For website changes, contact Student Activities Coordinator, Courtney Thoreson at Courtney.Thoreson@rctc.edu

CAMPUS SECURITY AUTHORITY

In compliance with the *Jeanne Clery Disclosure of Campus Security Police and Campus Crime Statistics Act (Clery Act)*, all Club Advisors have been designated as a Campus Security Authority (CSA). When a student has been the victim of a crime, they are likely to report it to someone other than the police. The role of a Club Advisor is one that has significant responsibility for student and campus activities and because of this someone may tell you about a crime. As a CSA it is your responsibility to ensure that an incident of a crime is reported to Campus Safety and Security. As a CSA you are required to participate in an annual training to fully inform you of your role and responsibilities as a CSA.

Required Reporter

As a designated Campus Security Authority (CSA) all Club Advisors are required to report incidents of sexual violence to the Title IX Coordinator in order to initiate any applicable investigative or resolution procedures consistent with Minnesota State Board Procedure 1B.3.1 Response to Sexual Violence. As a Required Reporter you will be provided additional training to fully inform you of your role and responsibilities as well as information on resources and support available to individuals who may report an incident of sexual violence.

STUDENT LIFE COMMUNICATION

Microsoft Teams

Starting August 2018, Student Life will be utilizing the Microsoft Teams App to upload important documents and share timely communications. Each club will also have access to their own team page which will allow for a centralized location of club documents (e.g. meeting minutes and agendas) and communication between members and other students. Anyone is able to join a team without needing specific access or permissions. This is a very exciting new addition to our communications ability moving forward.

APPENDIX

FACULTY CLUB ADVISOR AGREEMENT

Name: _____ Department: _____

Email: _____ Phone: _____

Club Name: _____

Requirements **Failure to abide by these requirements could result in the loss of your advisor stipend*

- Maintain frequent contact and meet regularly with the club President
- Serve as a point of reference and a guide for the club
- Offer assistance in developing and overseeing the club budget; review and approve all expenditure ensuring all financial policies and guidelines are followed (including paperwork)
- Assist the club in planning events and initiatives
- Supervise club events and fundraising activities
- Assist in educating club leadership about policies and procedures and ensure they are followed
- Travel with the club for off-campus trips or assist in finding an appropriate proxy advisor
- Notify the club President and Director of Student Life if needing to resign as advisor

Expectations

- Attend club meetings when available
- Assist in training and orienting club executive board members to their positions
- Communicate frequently with members of the club
- Maintain open lines of communication with the Director of Student Life
- Complete annual Advisor Training
- Respond to requests regarding assessment or club activity from Student Life

Remuneration

- Faculty advisors, per the terms of their faculty contract, receive a stipend of \$500 for an academic year commitment to serve as a club advisor
- Faculty who co-advise a group split the stipend equally; faculty who serve as sole advisor for one semester receive \$250
- The stipend counts toward additional income a faculty member can contractually receive above and beyond their teaching load and could impact additional teaching assignment

I agree to the above and am prepared to serve as Club Advisor for the 2018-2019 academic year:

Club Advisor: _____ Date: _____

Club President: _____ Date: _____

Director of Student Life: _____ Date: _____

Academic Dean: _____ Date: _____

Please return a copy of this completed form to the Department of Student Life: Box 15.
