

2022-2023 FINANCIAL AID AWARD GUIDE

Questions?

If you have questions after reviewing your award notification and this guide, use the following information to determine which office to contact.

Questions related to the following areas should be addressed to the **Welcome and One Stop Center:**

- financial aid application process
- award notification
- award amounts
- loan application process
- satisfactory academic progress policy for financial aid recipients
- entrance and exit counseling for Direct Loans
- work study/student employment
- financial aid disbursements

Welcome and One Stop Center
Rochester Community and
Technical College
851 30th Avenue SE
Rochester, MN 55904

Phone: (507) 285-7557
Toll-Free: 1-800-247-1296
Ext. 7557

Fax: (507) 280-3532

Email: onestop@rctc.edu

Web: <https://www.rctc.edu/financialaid/>

Like us on Facebook

Questions regarding these areas should be addressed to the **Cashier's Office:**

- billing/account balance
- payment of tuition, fees, and other charges
- registration cancellation (drop) for non-payment
- late fees
- refunds
- returning loan funds
- 1098-T Tuition Statements
- payment plans
- private scholarship disbursements
- BankMobile questions

Cashier's and Business Office
Rochester Community and
Technical College
851 30th Avenue SE
Rochester, MN 55904

Phone: (507)285-7311
Toll-Free: 1-800-247-1296
Ext. 7311

This booklet is designed to help you understand your Financial Aid Award notification and the procedures for processing and disbursing aid.

BUDGETING 8

WHAT IS THE COST TO ATTEND RCTC?

Estimated costs for the 2022-2023 academic year (2 semesters) are as follows:

Tuition and Fees (15 cr/semester)	\$6,272
Books and Supplies	\$1,600.
Housing	\$8,200.
Personal Expenses	\$5,500.
Transportations	\$2,900.
Total Cost of Attendance	\$24,472.

In addition to tuition, fees and textbooks, Financial Aid funds may be used to cover basic living expenses for the student, such as medical expenses, transportation, laundry, etc. The costs associated with these items are included in the estimates listed above.

HOW IS MY ELIGIBILITY FOR FINANCIAL AID DETERMINED?

The Financial Aid Office determines 'financial need' before your financial aid notification is generated. When you completed the Free Application for Federal Student Aid (FAFSA), the U.S. Department of Education performed an analysis using a standard federal formula. The result of this analysis, the Expected Family Contribution (EFC), was sent to you and shared with RCTC.

To determine financial need, we begin with RCTC's Cost of Attendance and subtract your EFC.

$$\begin{array}{l} \text{RCTC Cost of Attendance} \\ - \text{Expected Family Contribution} \\ \hline = \text{Students 'financial need'} \end{array}$$

Your financial need is the total amount of need-based aid you can

receive from all sources. You may be able to obtain a *non need-based* loan to substitute for the expected family contribution, if necessary.

WHEN IS FINANCIAL AID AVAILABLE?

Students must finalize their registration within the first 5 days of the semester. Accepted financial aid funds are then applied to outstanding charges on or after the tenth class day of the term. Aid offers generated after the beginning of the term are released as soon as funds are available. Students enrolled entirely in late start courses will have their funding disbursed no more than one week prior to their first course start date.

Any aid remaining after all charges are paid will be refunded to you to be used for education-related expenses. Such payments are often referred to as a 'financial aid overage.'

RCTC delivers your overage check using BankMobile Disbursements, a technology solution powered by BMTX, Inc. Use the refund selection kit mailed to you (GREEN ENVELOPE) to designate how you want your funds released (electronic deposit to an existing bank account or to a BankMobile Vibe Account).

Search 'direct deposit' on the RCTC website for information about how to set your preference for disbursement, or to obtain assistance with a lost or misplaced Yellowjacket card.

The Cashier's Office releases overage amounts. Questions regarding disbursement should be directed to the Cashier's Office

(main campus) or by calling (507) 285-7311.

DISBURSEMENT DATES

Current disbursement dates are posted on the financial Aid website <https://www.rctc.edu/financialaid/disbursement-and-bookstore-charging/financial-aid-disbursement-dates/>.

RCTC may be required to hold, reduce, change, or cancel your disbursement if you are not meeting eligibility requirements at the time of disbursement or if you later become ineligible. Reasons why your aid could be delayed or cancelled include, item such as:

- hold on student account
- outstanding balance from a prior term
- delayed loan disbursement rules apply
- enrollment in late start courses
- not enrolled in correct number of credits to qualify
- withdrawing from courses
- report of non-attendance
- failure to meet academic standards
- conflicting information regarding your eligibility
- late registration
- exceeded maximum number of developmental courses

If your disbursement is delayed and you are not sure why, contact us at onestop@rctc.edu or stop by the Welcome and One Stop Center for assistance.

ATTENTION LOAN BORROWERS:

The timing of DIRECT LOAN disbursements may be different than the schedule for other aid. If you are borrowing for the first time or are borrowing one semester at a time, please see the disbursement dates on our website and/or review your loan disclosure for estimated disbursement dates.

ATTENDANCE REQUIREMENT

To receive financial aid, you must be attending/participating in your courses. Your aid eligibility will be cancelled if you do not attend a course(s) for which you registered. These rules apply to courses that meet on campus as well as to those that are online. You must be actively participating to remain eligible for aid. Your instructor must report any student who has not participated in class. If you are not able to attend or participate in your classes for any reason, contact your instructor as soon as possible.

WITHDRAWING FROM COURSES

Students who receive financial aid and withdraw or stop participating in courses prior to the 60% point of the term are considered to have received unearned financial aid. RCTC is required by federal and state laws to perform refund calculations to determine the amount of aid you must return.

If you are considering withdrawing from courses or making a change to your schedule, please contact your Academic Advisor and/or a member of the Welcome and One Stop Center to discuss the consequences of the change, prior to taking any action.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID RECIPIENTS

All schools offering financial aid are required by federal and state laws to establish and enforce a Satisfactory Academic Progress (SAP) policy. The policy defines the standards a student must meet to remain eligible to enroll and to receive financial aid. RCTC's Financial Aid Satisfactory Academic Progress policy has three major components that are evaluated when determining a student's standing:

1. **A cumulative completion rate of 66.67%** Your completion rate is calculated by dividing completed credits by the credits you have attempted. The calculation includes all RCTC credits (including those processed as 'Fresh Start') and those accepted in transfer. Beginning Fall 2021, up to 30 credits of Developmental Coursework will be excluded from your completion rate calculation.
2. **A cumulative grade point average (GPA) of 2.0.** GPA is calculated using only RCTC credits (including those processed as 'Fresh Start').
3. **A maximum timeframe to complete your program.** In addition to earning good grades, you must complete your program within a specific timeframe. When a student has attempted 150% of the credits needed for their current major, a 'maximum timeframe' suspension is placed, and the student is no longer eligible to receive aid.

Both RCTC and Transfer credits are used to determine maximum timeframe. This Suspension can be appealed if you changed majors or are returning for a second degree.

The full version of the RCTC Financial Aid satisfactory academic progress policy on our website at <https://www.rctc.edu/policies/student/financial-aid-sap/>. The student handbook also includes a copy of this policy.

NOTE REGARDING RCTC "FRESH START"

Federal regulations require that transcript adjustments approved under RCTC's "Fresh Start" policy are added back into your GPA and Completion Rate calculations for Financial Aid purposes.

PAYMENT AND BILLING

RCTC does not mail monthly bills. You are expected to view and monitor your account, online, using e-services at <https://www.rctc.edu/eservices/>

In addition to viewing your bill, you can make online payments and sign up for a payment plan through e-services. In-person payment transactions are handled through the RCTC Cashier's Office located on the main campus.

WHAT IS AN OVERAWARD?

Federal and state regulations prohibit students from receiving financial assistance that exceeds their calculated financial need and cost of attendance ("overaward"). RCTC is required to reduce aid to resolve overawards and students are asked to repay these funds. Overawards occur when RCTC

discovers a student has received scholarships or other assistance after Financial Aid is disbursed.

Examples of assistance that might cause an overaward and affect your eligibility include:

- ❖ Scholarships
- ❖ Vocational Rehabilitation Services awards
- ❖ Federal or State Military Tuition Assistance
- ❖ Tuition Waivers
- ❖ Assistance from the Workforce Center
- ❖ Assistance from other third-party agencies

If you are receiving any type of additional assistance, please notify the Financial Aid Office if you have not already done so.

REPEATING COURSES

In general, you may receive aid to repeat a course until you receive a passing grade (subject to [College Policy](#)). Once a course has been passed, you may only receive aid for one additional attempt, for the purposes of improving your grade.

CONSUMER INFORMATION

The Higher Education Act requires each institution to provide students with Consumer Information related to their education. RCTC makes these disclosures available at <https://www.rctc.edu/about/consumer-info/>

SUMMER AID

The Financial Aid Office processes summer aid separately from standard 9-month academic year (fall/spring) aid. Summer award

notices are sent out shortly after registration begins. If you are registered for Summer and received aid from RCTC for Fall or Spring semesters, we will automatically generate a summer award notice for you. You will be notified via your RCTC email address. Keep in mind there are limits to the amount of aid you can receive in one 12-month period. Plan ahead if you are considering summer classes.

TYPES OF AWARDS

SCHOLARSHIPS

Scholarships are considered gift aid and do not have to be repaid.

Scholarships are awarded separate from RCTC's Financial Aid offer. A separate application is required for each individual scholarship, based on the criteria set by the provider. Deadline dates vary.

Common scholarship resources RCTC students use include:

- ❖ Rochester Community and Technical College Foundation Scholarships:
The RCTC Foundation offers a variety of scholarships to incoming, returning and graduating students. The RCTC Foundation website contains the most current information regarding application windows and deadline dates. Visit the Foundation's Website at <https://www.rctc.edu/foundation/scholarships/> for specific application dates this year.
- ❖ Additional Scholarship Options:
Many scholarships are available through high schools, community and professional organizations, employers of the student or their parents, employee unions and associations and veteran's groups.

Although RCTC does not maintain a formal list of scholarship options, information sent to campus will be posted on student bulletin boards. Many students have also been successful with online searches to find scholarship funding.

GRANTS

Grants are considered gift aid and do not have to be repaid unless the student does not complete their courses.

FEDERAL PELL GRANT

Federal Pell Grant funding is based on financial need. Full-time status for the Pell Grant is 12 or more credits per term. Eligibility is prorated for enrollment less than full-time. In some cases, students qualify for Pell grant funding at the less-than-half-time enrollment level (1-5 credits). Refer to your award notification to determine your eligibility.

Federal regulations prohibit a student from receiving Pell Grant funding from more than one college at the same time. If you are enrolled in more than one college, please contact the Welcome and One Stop Center so we can help you coordinate your Financial Aid with the use of a **Consortium Agreement**.

Rules for the Federal Pell Grant allow students to receive Pell Grant funds until they have earned their first bachelor's degree. In addition, students cannot receive Pell Grant for more than six (6) years. If you have already received the Pell Grant for 12 full-time semesters (or its equivalent), you will not be eligible for this grant. You should work with your academic advisor to develop an academic plan to ensure timely completion of your

degree to minimize your out-of-pocket costs.

Due to Federal Regulations and related RCTC policy, your Federal Pell Grant will be paid to you based on the credits you are enrolled in at the end of the standard drop/add period. This is usually the fifth class day for fall and spring semesters. **If you add a class after this date, your Pell Grant will not be increased based on this change in enrollment.**

MINNESOTA STATE GRANT

This grant is available to Minnesota residents who do not have a bachelor's degree, enroll in at least three credits per term, show financial need, and have attended post-secondary institutions for less than the equivalent of four full years. If you are eligible to receive a State Grant, your award notification will show your award amount at each individual credit level.

To be considered for the Minnesota State Grant, your FAFSA (Free Application for Federal Student Aid) must be received at the federal processor by the 30th day of the term.

A student who meets the Minnesota Grant definition of a Minnesota resident only because s/he graduated from a Minnesota high school must physically attend courses in Minnesota if s/he currently resides in another state. Taking all on-line courses and not physically attending courses in Minnesota would make such students ineligible to receive Minnesota State Grant.

Minnesota State Grant payments cannot be released to a student who is more than 30 days in arrears on child support payments. Grant payments are also withheld from students delinquent on SELF loan payments.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)

These limited funds are awarded to students who have Federal Pell Grant eligibility, low expected family contributions, and a high amount of remaining need after other grants and scholarships are awarded. Funding is limited and is awarded on a first-come, first-served basis.

MINNESOTA POST-SECONDARY CHILD CARE GRANT PROGRAM

Students who have children 12 years or younger may be eligible for childcare assistance. Eligible students must be Minnesota residents pursuing their first bachelor's degree who are not recipients of MFIP. Students who already have attended post-secondary institutions for the equivalent of five full-time years are not eligible. The grant amount is determined by the size and income of the student's family.

Additional information and application materials are available on the Financial Aid website under "[Forms and Documents](#)"

MINNESOTA GI BILL

The Minnesota GI Bill aids eligible Minnesota veterans and currently serving military, Guard and Reserve members who served after September 11, 2001. MN GI Bill assistance is also available to the eligible spouses and children of the servicemember. A lifetime benefit amount of \$10,000 is available, with a yearly maximum of \$3,000/yr for enrollment at RCTC. MN GI Bill funds can also be used for licensing, certification, on-the-job training, and apprenticeships. Students must complete the FAFSA as well as a separate MN GI Bill Application available at <https://gibill.mn.gov/Home>.

For questions, contact the MN Department of Veterans Affairs at https://linkvet.org/app/custom/1198_regional_coordinators.

WORK STUDY PROGRAMS

Students work to earn money to help pay for educational expenses. Work study funding does not need to be repaid.

Work Study programs (also known as Student Employment) provide students with the opportunity for personal and career development while earning money to assist with school expenses. A work study award represents your potential for earnings. You will only be paid for hours worked. Funding is limited and is awarded on a first-come, first-served basis.

If Work Study was listed on your award notice, you must complete additional steps to select a work study job and complete the paperwork necessary to be placed on the student payroll. Visit <https://www.rctc.edu/financialaid/workstudy/> to begin this process.

You will submit an electronic timesheet and be paid every two weeks for hours worked. You must use your Refund Selection Kit to designate how you want your pay released to you - by electronic funds transfer (EFT) to an existing account or to a BankMobile VIBE account. For more information see <https://www.refundselection.com/>

Students who did not receive work study as part of their award notification can be placed on a waiting list by contacting the Welcome and One Stop Center.

LOANS

Loans are funds that must be repaid, with interest.

Each type of loan has its own interest rate and terms for repayment. Be sure to carefully read the loan agreement before you sign. All federal loan programs require students to be actively enrolled at least half time (six or more credits per term) to be eligible to borrow and/or receive their funds.

FEDERAL DIRECT LOANS

Funding for these loans comes directly from the federal government. There are two types of Federal Direct Loans: subsidized and unsubsidized. **Subsidized** loans are available to students who show financial need. **Unsubsidized** loans are not based on financial need and are intended to help students meet their costs of attendance at RCTC. A cosigner is not required for either loan type, nor is your credit rating checked when you apply. You are responsible for being aware of the terms of the loan at the time you sign a promissory note. Common elements are described below for both programs, followed by specific details for both the Subsidized and the Unsubsidized Direct Loan programs.

Repayment on Direct Loans. Repayment begins six months after you graduate, withdraw, or enroll less than half time. Payments are made monthly, and several loan repayment plans are available. More information on repayment options is available at www.studentaid.gov. Once the loan is in repayment status, Direct Loan deferments are available for various reasons specified by law.

Borrowers may defer payments for the following reasons:

- enrolled in school at least half-time
- unemployment
- economic hardship

Federal Direct Loan Master Promissory Note (MPN). If you borrow under the subsidized or unsubsidized Direct Loan program, and you have not previously borrowed under either of these programs, you will need to complete a Federal Direct Loan Master Promissory Note (MPN).

The MPN is a legal document you sign. Your signature indicates you promise to repay your Direct Loans and abide by all the terms and conditions of the Direct Loan program. The MPN is good for all Direct Loans (both subsidized and unsubsidized) for up to 10 years, even if you change schools. You will complete the MPN, online, when you accept your loan through e-services. *Your loan request will not be processed until your completed MPN has been received from the Department of Education.*

Direct Loan Entrance Counseling. If you borrow under either the subsidized or unsubsidized Federal Direct Loan program and you have not previously borrowed under either of these loan programs, federal regulations require that you complete loan counseling. You will complete loan counseling, online, when you accept your loan using e-services. *Your loan request will not be processed until RCTC receives confirmation of your completed loan counseling from the Department of Education.*

Federal Direct Loan Interest Rates and Origination Fees. The federal government sets interest rates for the upcoming academic year on July 1st for Federal Direct subsidized, unsubsidized and Parent (PLUS) loans. In addition,

there is an origination fee charged on each Federal Direct loan. This fee is calculated as a percentage of your loan amount. It will be subtracted from your loan prior to disbursement. For more information including interest and origination fee rates, visit <https://studentaid.ed.gov/sa/types/loans/subsidized-unsubsidized#interest-rates>

Annual Direct Loan Limits. Students are eligible to borrow up to the annual program maximum once for each 12-month academic year (fall, spring, and summer). If you borrow the maximum loan amount at your grade level for fall/spring, you will not be able to borrow under the Direct Loan program for summer.

Direct Loan Proration. Students graduating during this academic year and attending less than a full academic year are required by federal law to have their Direct Loan amounts (subsidized and unsubsidized) prorated. Contact the Financial Aid Office for more information regarding Direct Loan proration.

Direct Loan Exit Counseling. Federal law requires the Financial Aid Office to provide Direct Loan borrowers with loan exit counseling at the time of graduation or leaving school. The Financial Aid Office will send you information regarding exit loan counseling at the time you apply for graduation or drop below half-time status.

Federal Student Loan Ombudsman. A student loan ombudsman works with borrowers to resolve disputes a borrower has not been able to resolve through the normal channels. The ombudsman's office is a neutral, informal, and confidential resource to help you resolve a dispute with

your federal student loans but should be used only as a last resort. If you have an issue that you have been unable to resolve through your school or loan servicer, you may contact the federal student loan ombudsman at:

US Department of Education
FSA Ombudsman Group
PO Box 1843
Monticello, KY 42633

Phone: 877-557-2575
Fax: 606-396-4821

<https://studentaid.gov/feedback-ombudsman/disputes/prepare>

SUBSIDIZED DIRECT LOAN

This loan is available to students who demonstrate financial need, which is determined using a federal formula. No interest is charged on subsidized Direct Loans while the student is in school at least half time. The maximum **annual (yearly)** loan amounts per grade level in the subsidized Direct Loan program are as follows:

Grade level 1 (0-29 semester credits earned)	\$3,500.
Grade level 2 (30+ semester credits earned)	\$4,500

There is a maximum loan amount you can borrow in the student loan programs. Currently, the maximum **aggregate (lifetime)** subsidized loan limit is \$23,000.

NOTE:

Students who are eligible to borrow under the Subsidized Direct Loan program must accept this loan before an Unsubsidized Direct Loan, Direct PLUS Loan, or private loan will be processed.

UNSUBSIDIZED DIRECT LOAN

Unsubsidized Federal Direct Loan Eligibility for this loan is not based on financial need and is limited by the student's cost of attendance and annual/aggregate loan limits. The student is responsible for

paying all interest that accrues on this loan during the in-school period, during the six-month grace period, and during periods of repayment or deferment. The interest may either be paid periodically or may be capitalized and added to the principal amount.

The maximum **annual (yearly)** loan amounts for the unsubsidized Direct Loan programs are shown below, based on dependency status:

DEPENDENT STUDENTS:

Grade Level	Maximum Annual Loan
1 (0-29 credits)	\$5,500. minus Subsidized Direct Loan amount
2 (30+ credits)	\$6,500. minus Subsidized Direct Loan amount

The maximum **aggregate (lifetime)** loan a dependent student may borrow as an undergraduate is **\$31,000.** (combination of subsidized and unsubsidized Direct Loans).

INDEPENDENT STUDENTS:

Grade Level	Maximum Annual Loan
1 (0-29 credits)	\$9,500. minus Subsidized Direct Loan amount
2 (30+ credits)	\$10,500. minus Subsidized Direct Loan amount

The maximum **Aggregate (lifetime)** amount an independent student may borrow (subsidized and unsubsidized Direct Loans combined) is **\$57,500.**

FEDERAL DIRECT PLUS (PARENT) LOAN

PLUS loans are federal loans borrowed by parents of dependent students to help pay the student's

educational expenses. A credit check will be performed, and the applicant (Parent) must not have an adverse credit history. The maximum amount an applicant may borrow is equal to the student's cost of attendance minus any other aid the student will receive. Unless a deferment is requested, Direct PLUS loan repayment begins 60 days after the full amount of the loan has been disbursed. If a parent borrower is unable to secure a PLUS loan, the undergraduate dependent student may be eligible for additional unsubsidized loans.

ALTERNATIVE (PRIVATE) LOANS

Alternative or Private loans are student loan programs offered through private lending institutions. These programs are commonly used by students in Aviation and other high-cost programs. Students in other majors should consider alternative loans as a last resort, after other funding options have been exhausted. Borrowing should be limited to necessary school-related expenses. Information on private loan programs is available on our website at <https://www.rctc.edu/financialaid/loans/alternative-loans/>.

BUDGETING

As a college student you develop lifelong skills to help manage your money. Money management and good budgeting skills are needed no matter how much (or little) you have. It is never too early to start learning about money and budgets.

The GPS Finance Plan at www.gpslifeplan.org/finance/ contains valuable tips and information for managing your finances, including these areas:

- Setting financial goals
- Creating a budget
- Financing your education
- Understanding credit

- Managing debt
- Understanding identity theft
- Saving for your future

For additional details, budget calculators, sample plans and more visit the GPS LifePlan website at www.gpslifeplan.org/finance/
